# 21 DAYS OF PRAYER & FASTING

As we begin a new year at Life in Christ Church, we want to make it a priority to seek God first in prayer and fasting. We do this corporately as a church through the 21-day Daniel Fast. Together, we faithfully seek God first, trusting His power alone to create a lasting impact in and through our lives.

Fasting is voluntarily going without food - or any other regularly enjoyed, good gift from God - for the sake of a spiritual purpose. Jesus invites His followers to fast, and we fast in this life because we believe in the life to come. We fast from what we can see and taste, because we have tasted and seen the goodness of God and are desperately hungry for more of Him. So, take a step of faith, pray without ceasing, and watch God move in your life, our church, and the world! (Matthew 6:6-18, Matthew 9:14-15, Luke 18:9-14, Acts 27:33-37, Nehemiah 9:1-3)

This resource is designed to help us walk together for these 21 days. We encourage you to use this resource as a guide on what to pray for each day. You'll also find some helpful tips on prayer, fasting, and the Daniel Fast.

Thank you for joining together as we seek God intentionally for 21 days!

*Note: Before doing the Daniel Fast, please first consult with your medical provider. If you are unable to do the Daniel Fast, consider fasting something else (e.g. social media, television, rice, etc.).*

# What is the Daniel Fast?

The Daniel Fast is a biblically-based partial fast based on two accounts of the prophet Daniel's fasting experiences (see Daniel 1 & 10) and typical Jewish fasting principles. The Daniel Fast eating plan is similar to a vegan diet with additional restrictions. See the Daniel Fast food list at [www.daniel-fast.com](http://www.daniel-fast.com) for a more complete outline of foods to include and foods to avoid. You can also visit [www.liccmn.org/daniel-fast](http://www.liccmn.org/daniel-fast) for more information!

## What foods can I eat?

- All fruits and vegetables. These can be fresh, frozen, dried, juiced, or canned.
- Whole grains. This includes brown rice.
- Nuts & seeds.
- Legumes. These can be canned or dried.
- Quality oils - Olive, canola, grapeseed, peanut, & sesame.
- Other - Tofu, soy products, vinegar, seasonings, salt, herbs, & spices
- Beverages - Water only

## What foods should I avoid?

- All meat and animal products
- All dairy products
- All sweeteners
- All leavened bread, including leavening agents (yeast, baking soda, baking powder)
- All refined and processed foods
- All deep fried foods
- All solid fats (shortening, margarine, lard)
- Beverages that are not water. This includes coffee, tea, herbal teas, carbonated drinks, energy drinks, and alcohol.
